GROW THE GROVE APPLICATION FORM

Over the last few years, our neighborhood has lost a number of mature trees due to droughts, freezes, and new home builds. Thanks to the financial success of Run the Grove, and with the approval of membership, the Timbergrove Manor Neighborhood Association (TMNA) has undertaken a two-year program to plant fifty trees throughout the neighborhood. Approved applicants will receive a 95-gallon Live Oak tree delivered to their home. The typical tree size is 12-14 feet tall and 4 inches diameter (see picture). Applicants must commit to care for and maintain the tree. Trees will be delivered and planted in the fall. See additional conditions below.

Guidelines and Conditions

1. Applicant must be a **home owner within** the boundaries of **TMNA** and a **dues-paying member in good standing** with the association.
2. **Applicant is responsible for all tree care and maintenance** once the tree is planted (instructions will be provided to the home owner at the time of planting).
3. Applicant is willing to pay for the cost of planting their tree if approved ($145). Payment by check to be collected after approval.
   ☐ Yes ☐ No
4. Applicant must identify a location for the tree **in the front yard of the property** within 5' to 15' from all driveways, sidewalks, and roads, at least 10' away from mature trees, and at least 5' away from other obstacles. **A drawing or photo** of the proposed tree location is to be **attached** to application.
5. Applicant is responsible for having underground utilities identified and marked in the area of the new tree prior to planting (note: this a free city service requested through **811**).
6. Applicant agrees that **TMNA and its officers will not be held liable** for any damages, costs, etc. that may result from planting of the tree.
7. Applicant acknowledges ownership and **responsibility in caring** for the tree as well as **removal** if the tree doesn't survive.
8. Applicant acknowledges that **TMNA has full right of refusal** of any application for any reason.
